

GPS

words and music: randy goodrum and jay graydon

THIRD AND BROADWAY, FROM MALIBU
Next street on the right
TELL ME.....THE QUICKEST ROUTE
East 3,000 miles, SAYS THE VOICE BEHIND THE DIAL

GOTTA GET THERE OR PAY THE COST
Exit 50 feet
HALF SCARED I MIGHT GET LOST
Till the break of light it's a GPS kind of night

NEXT STOP TUCSON, THE LONG WAY 'ROUND
Watch for traffic light
SPENT TOO LONG IN LA LA TOWN
Stop and rest a while, SAYS THE VOICE BEHIND THE DIAL

HEAD GAMES...FROM LACK OF SLEEP
Share the pain with me
MY BRAIN....'S PLAYIN' TRICKS WITH ME
North on 95..it's a GPS kind of night

**DAYS TURN TO NIGHTS, TOWNS FLYING BY
MY SATELLITE I PROMISE WE'LL GET THERE**

-guitar solo-

KEEP IT RUNNIN' I'LL BE RIGHT BACK
Watch your step, be cool
I'M GAMBLIN' HE'S GOT THE CASH
Danger just ahead SAY THE VOICES IN MY HEAD

BEAT IT...WE'RE ALL DONE HERE
South on 81
WE MADE IT..WE'RE IN THE CLEAR
'TILL THE BREAK OF LIGHT, IT'S A GPS KIND OF NIGHT
spoken "You've arrived at your destination"
